NOTE FOR: Director of Logistics

FROM: William F. Donnelly
Deputy Director for Administration

SUBJECT: Collaboration Between the New Building Project Office
and the Fine Arts Commission

John:

I would like to ensure that the Fine Arts Commission is kept informed of developments with regard to the new building. Please arrange: (a) To have an individual who is acquainted with the new building project attend the monthly meetings of the Fine Arts Commission, and (b) arrange for the Fine Arts Commission to be briefed on the following:

(1) Those areas in the new building, including the dimensions, where statuary might be placed or large paintings hung.

(2) The dimensions of the visitor's center and whether this area would be suitable for art work or other more permanent displays.

(3) The area set aside in the new building for a permanent historical collection, and,

(4) Finally, information about the colors that are to be utilized within the new building so that the Commission is in a position to comment on the coordination of these colors with those in this building.
